

Kelowna Minor Hockey U9 Tournament Feb 16-19, 2024

This is a full ice tournament and score will be kept. At Kelowna MHA we tier our U9 into two development teams (A top tier), 6 Lutz teams (B middle tier) and 6 Evans teams (C bottom tier). The tournament will follow this A, B and C tiering format. When you apply, please let Kendra know how your association organizes your U9 teams. For example are they balanced equally, are they tiered, are they separated by age, etc.

This tournament spans over 4 days during the family day long weekend. There is a 4 game guarantee.

If you are interested in this tournament, you need to send an application to tournaments@kelmha.com and include how your association organizes their U9 teams in the body of your email.
