If you were carded during the 2023-2024 season and are going to continue officiating for the upcoming 2024-2025 season, you need to do the following....

**If you are 18 or older** – ensure that your Criminal Record Check is up to date.

<https://www.bchockey.net/member-info/applications/criminal-record-check>

The link above will take you to the page to get it done. BC Hockey pays for this. DO NOT wait until August/September to get this done. There is always a backlog of applications during that time.

You can check on your HCR profile to see if your CRC is up to date. (Link below)

\*\*\* You cannot attend a clinic if you CRC is not up to date\*\*\*

**\*\*\*Officials who are under 18 need only to attend and in-person clinic re-certify\*\*\***

Once that is done, you need to attend an in-person clinic

---

Clinic registration will be open during the last few weeks of August.

**The clinic for the returning officials is scheduled for September 18, 2024**

**5:00pm – 8:00pm MNP Place – Mini Rink**
